CLIENT STATEMENT

Tax returns are prepared in the order received. Completed Tax Organizers are due in our offices 30 days prior to the return deadline in order for Anderson to guarantee the timeliness of the return. In the event a Tax Organizer is received within the 30 day period prior to the tax deadline, Client will pay an expedite fee of \$150.00 to ensure timely completion and if received in the final 2 weeks before the deadline, Client will pay \$250.00 to ensure timely completion. If unable to complete by deadline, Anderson will request an extension on Client's behalf if that option is available.

The scope of work in connection with the preparation of your ("the Client") federal and state income tax returns is intended to be in compliance with the requirements issued by the various taxing authorities. Because tax laws are not always clear, honest differences of opinions may arise between our interpretation of laws and that of the various taxing authorities. We will assist you in resolving these differences in your favor whenever possible.

Client and/or your duly appointed representative agree not to hold Anderson liable for interpretations made with regard to any of the information supplied by Client and used in the preparation of the tax returns. Unless compelled to do so by law, Anderson does not disclose any irregularities or provide statements with regard to the validity of the information supplied by Client to any taxing authority.

All tax returns are subject to review and acceptance by the various taxing authorities. In the event of an examination or other taxing authority contact, Anderson can respond or represent your position to the taxing authority; however, there is a fee for this service. You may appeal any adjustments proposed by a taxing authority.

Please review any completed tax returns carefully. As preparers, we have a responsibility both to the various taxing authorities with whom we file tax returns as well as to our clients. Any client will remain liable for the contents of tax returns prepared by Anderson with data provided by said client.

All tax return preparation fees must be paid before the tax return can be electronically processed. Once payment is received and the proper forms are signed to electronically file the tax return, i.e. Form 8879, we will file the tax return.
